## Football Summary

At the beginning of the season, Coach Arvin Smith was optimistic about his team's chances of winning a second straight Coast Conference Championship.

The going was tough at first, the Panthers dropping their first two games by close margins. Allan Hancock handed our men an 18-7 setback and College of Sequoias a 12-6 defeat. With seven games remaining, the Hartnell Express began picking up steam and it was not about to be stopped.

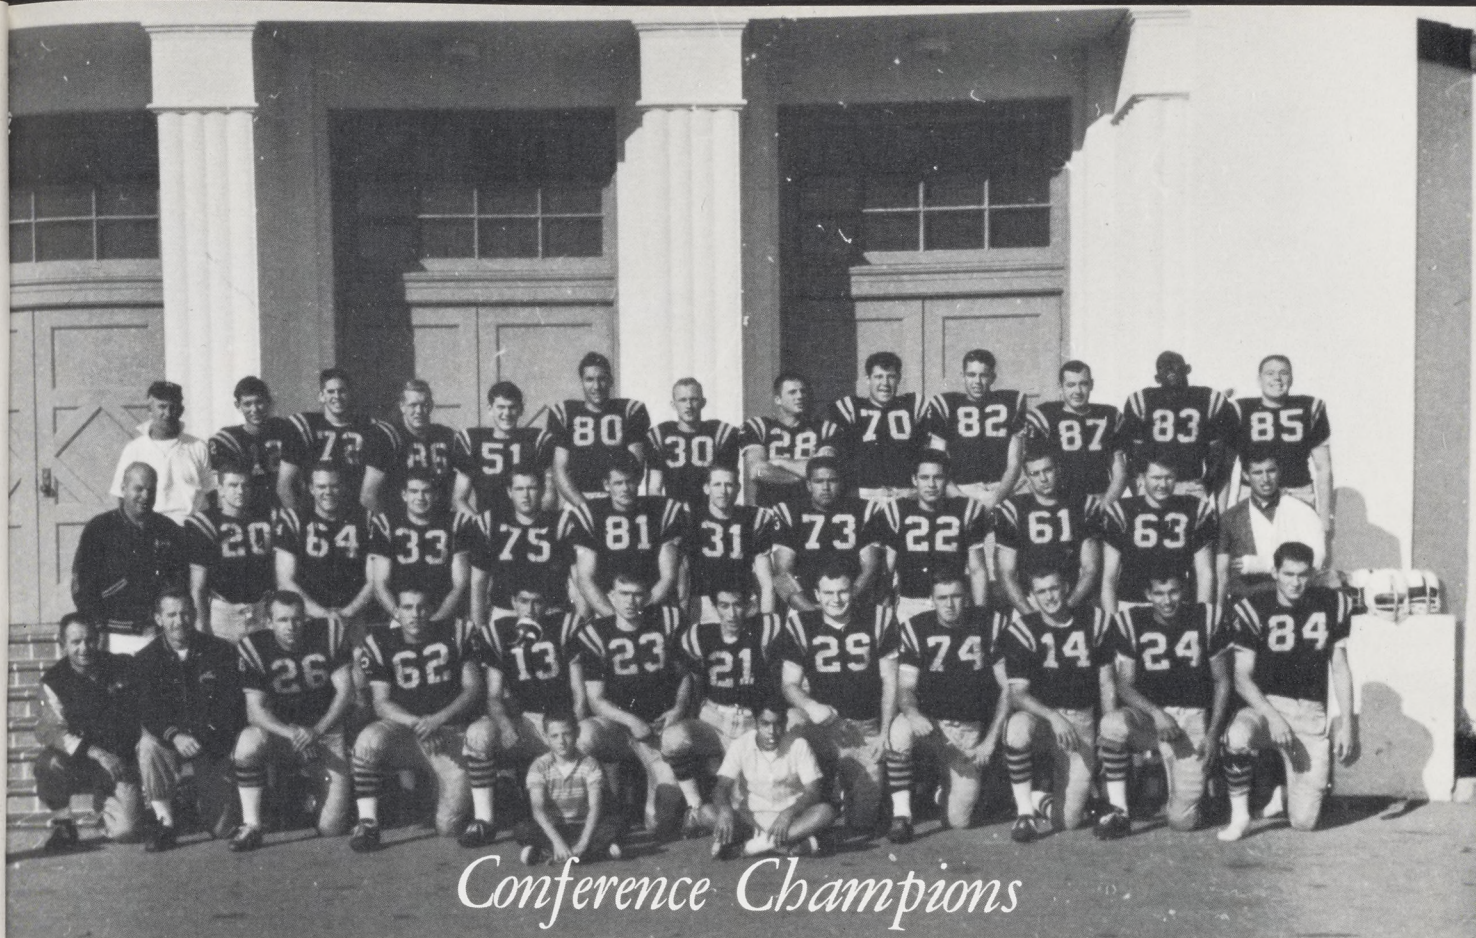

The Panthers' first victory was a 13-0 shutout over Taft. Big Jim Mankins ran for 204 yards, three times as much yardage as the whole Taft team. The following game was a hard fought 6-3 victory over Coalinga. Fleet Al Smith put this one away in the last quarter of play. Hartnell's terrific defense was too much for the opposition as Coalinga rushed for only 76 yards, as against the Panther's 216.

Coach Smith looked on with satisfaction as his powerful offense and equally rugged defense tore through the conference without a loss. It was ironical that Monterey Peninsula College, Hartnell's greatest rival, was last on the schedule. For the past two years the Lobos had spoiled the Panthers' season. The tables were turned this year as Hartnell put on its finest performance of the season and crushed the Monterey wharf rats, 24-8. It was a year of fierce competition but Hartnell could not be denied the Conference Championship and the right to play in the Lettuce Bowl.

Talking over strategy with two of their players are, *LEFT TO RIGHT*: Trainer Dan Diedrickson, Head Coach Arvin Smith, Backfield Coach John "Skip" Schwellenbach and Line Coach Chace Anderson.

Hartnell's victorious Panther squad include, FRONT ROW, LEFT TO RIGHT: Coach Skip Schwellenback, Coach Arvin Smith, Bob Hollibaugh, Louie Modena, Ron Cotta, Wayne Garvis, Frank Mesa, Tonie Ploszay, Terry Tweedie, Dan Lucas, Dave Banuelas, Glen Gray. ## HARTNELL, 46; VALLEJO, 6.

*Surrounded by a segment of Hartnell's potent defense, a Vallejo ball carrier meets disaster. Wayne Garvis (23) landed the first tackle. Moving in are Tim Bassetti (72), Louis Modena (62) and Jim Mankins (28).*

The Panther express went through on schedule leaving the Panthers ahead with a one-sided victory. Jim Mankins punched over for three touchdowns. Ron Cotta, showing great improvement, scored two TD's and carried 107 yards.

## HARTNELL, 28; GAVILAN, 0.

Hartnell showed a powerful offense with Al Smith, Jim Mankins, Ron Cotta and Tony Ploszay scoring touchdowns. Larry Palma, Ernie Shelton, Louie Modena, Wayne Garvis and George Comeau were defensive standouts, with the game ball going to Mike Lewis.

*Encircled by Gavilan players, sophomore quarterback Paul McKinsey looks for running room. With McKinsey calling plays, the Panthers rolled to their second league victory in as many games.*

*Stopped by the Menlo line, but not soon enough! Big Jim Mankins crashes over for one of his four touchdowns after receiving a handoff from signal-caller Dan Lucas.*

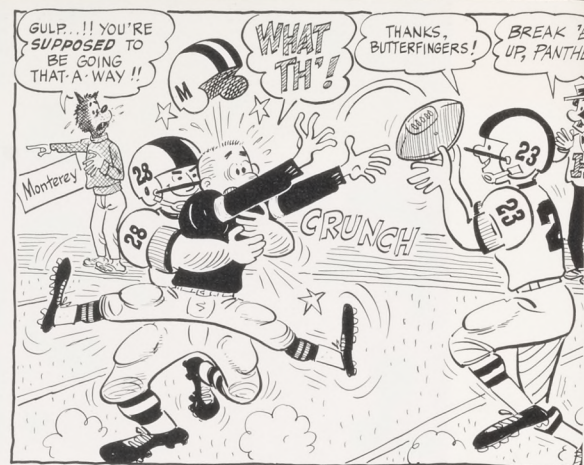

## *HARTNELL, 47; MENLO, 26.*

Hartnell scored its third straight league victory of the season over an aerial minded Menlo College. In the process, Coach Arvin Smith solved his quarterback problems with freshman Dan Lucas. The spunky bantam rooster, who had seen very little action prior to this game, moved for 80 yards rushing and 16 yards in the air. All-league defensive end Bob Hammond played his usual brilliant game. His alert play resulted in an unusual touchdown: On the Panther kickoff, the ball glanced off a Menlo defender and into the end zone where Bob pounced on it for six points. Others scoring: Mike Lewis, Al Smith, Jerry Contreras and Tim Timko. Defense was good with Bob Niccoli, Gordon Nolan, Wayne Garvis and Mike Lewis standing out.

*Hartnell's pom pom girls welcome the high spirited Panther team on to the field for the "Big" game.*

## HARTNELL 7; CABRILLO 6

Hartnell barely squeezed by the Seahawks of Cabrillo in one of the hardest fought games of the season. The victory left them the only undefeated team in the league. The success of the game can be attributed to four Panthers and one official.

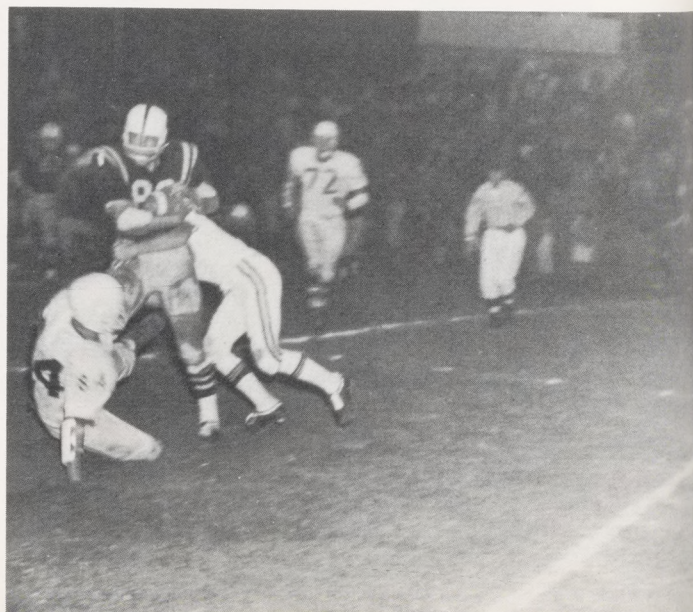

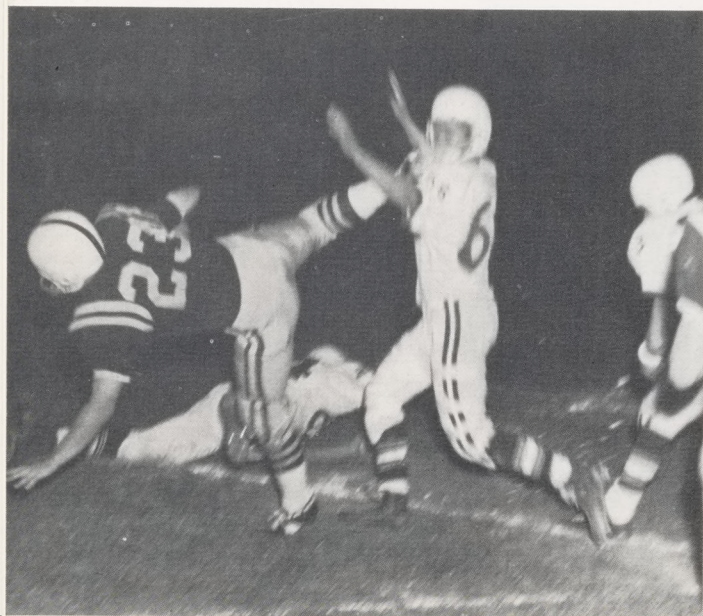

Jim Mankins delivered the Hartnell touchdown with a 42-yard punt return from the Panther 48 to the Cabrillo eight-yard line. He then drove over for the six points. Tim Timko kicked the important game winning extra point.

Larry Palma playing alert defense was credited with blocking the Seahawk's extra point attempt.

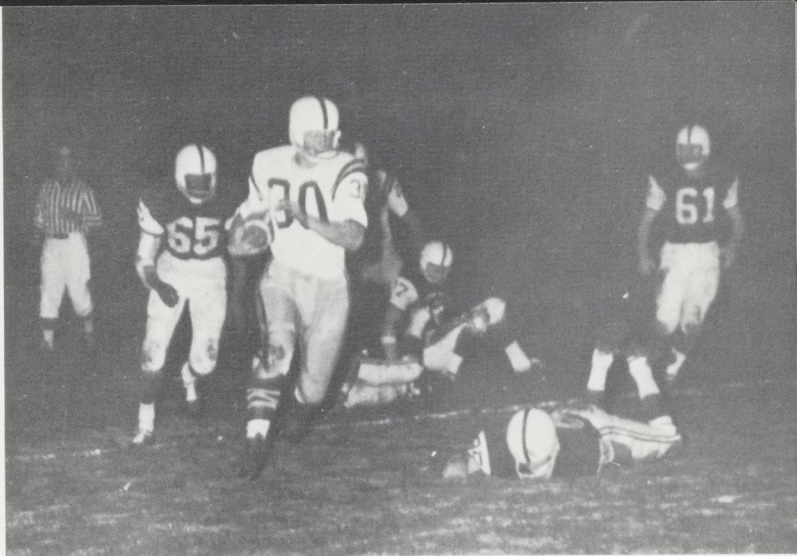

Wayne Garvis intercepted a long distance aerial on Hartnell's 32-yard line to end the game and preserve another victory for the Panthers.

*Backfield ace Wayne Davis preserved the Panthers' perfect record with this key interception.*

*All-league end Bob Hammond fights for yardage after a long gain.*

*Off and running, halfback Ted Riley finds running room against arch rival Monterey Peninsula College. Riley's three scores sparked the Panthers to victory and the championship.*

## *HARTNELL 24; MPC 8*

Hartnell College turned a wild bull loose—Ted Riley—and that was all the Panthers needed. The 195 pound halfback scored three touchdowns and made life miserable for the Lobos, as Hartnell dumped the ragged Lobo Wolf, 24-8. The backfield combination of Lucas, Smith, Riley, and Mankins was the best of the season for Hartnell. But the entire defensive unit was superb and combined with the drive of the offensive crew, spelled a championship for the Panthers.

*Surrounded by MPC players, freshman quarterback Danny Lucas is ridden to the ground by Meyer Buchbinder. "Protecting" their signal caller are Larry Palma (73), Al Smith (31), and Fred Jufiar (70).*

*Tribute to a hard fought season is displayed by Larry Palma and Bob Hammond at post game ceremonies.*

## HARTNELL 13; SANTA ROSA 7

*Ray Page (87) is brought down after receiving a long aerial from Danny Lucas of the Panthers.*

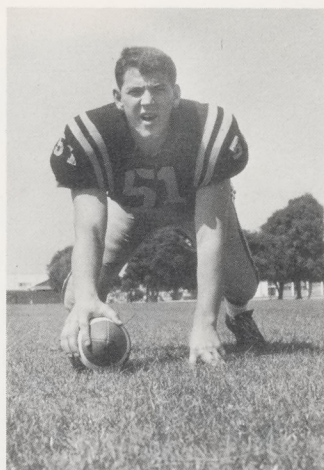

Third annual Lettuce Bowl saw the Coast Conference Champion, Hartnell Panthers, edge the undefeated Santa Rosa Bear Cubs of the Golden Valley League by 13-7 in one of the toughest games of the season. Santa Rosa entered the game with a perfect season record of 9-0, and was eighth ranked in the nation, but the Panthers were not interested in ratings. "Big Jim" Mankins scored all of Hartnell's points and justly received the most valuable player award. In order to do justice for the Panther team, we should name the complete squad in this final great victory.

## Homecoming

Queen Kathy Hirt found herself surrounded by beauty as she sat for a formal portrait. Members of her court are Marsha Death and Janice Smith, in front, and Yolanda Castillo and Sue Strand, standing.

Twenty-five years ago Hartnell College celebrated its first Homecoming; that 1938 festival set a colorful precedent which has been followed since. This year's Homecoming Queen, Kathy Hirt, and her attendants will be long remembered for the gracious glamor they brought to the annual observance.

Miss Hirt reigned over the football game with Cabrillo which Hartnell won 7-6. At halftime the queen and her court were presented to spectators at the stadium. Festivities were wound up with the following dance.

1962 Homecoming Queen Peggy Seadler rode atop the trophy-winning Esquire float in the afternoon parade.

Miss Kathy and her attendants practice smiling before "dragging Main."

Team captains Jim Mankins and Bob Hammond gave a pre-game sermon at Friday noon Homecoming services.

*Limbering up for the big meet are, left to right: Rube Salgado, Frank Furrier, Ed Powers, and Tom Bailey.*

For the second straight year, Hartnell's Harrier unit won the Coast Conference Championship. This year the squad had an undefeated record in conference meets. The only losses came at the hands (or toes) of the top two teams in Northern California—San Jose City College and San Mateo. Leading the runners was Len Davies, a freshman with plenty of potential and determination.

Rube Salgado, also a freshman, was the second man. Rube has the desire and willingness to work to achieve his goals.

These two were the top guns for the year, but it took ten "men" to win the championship.

Activities throughout the Women's Athletic Association year include sportsdays at various colleges, basketball tournaments, Modesto Tennis Tournament for women, and WAA State Conference at Asilomar.

WAA has assumed the responsibility of providing all recreational sports activities for the entire student body. The program open to all students for fall is coed volleyball, coed badminton, archery, fencing, and women's basketball. In the spring, coed softball, tennis, and golf are offered. This year's Women's Basketball Team has played against MPC, Cabrillo, Monterey Teachers, and some high school teams. Miss Buss has been working with the fencing and archery clubs who compete in various events throughout the year.

*The outside of the building has a large court with trees planted in order.*

With the beginning of the second semester science students were greatly overjoyed. They came back to the opening of the new science building which provides an entirely different atmosphere. Instead of the old, marked up desks, they now have new, shining desks and much better facilities. All this was made possible by a bond election held February 6, 1962, which allotted funds for the \$1,592,000 Science Building, five months later than the scheduled date in September, 1963.

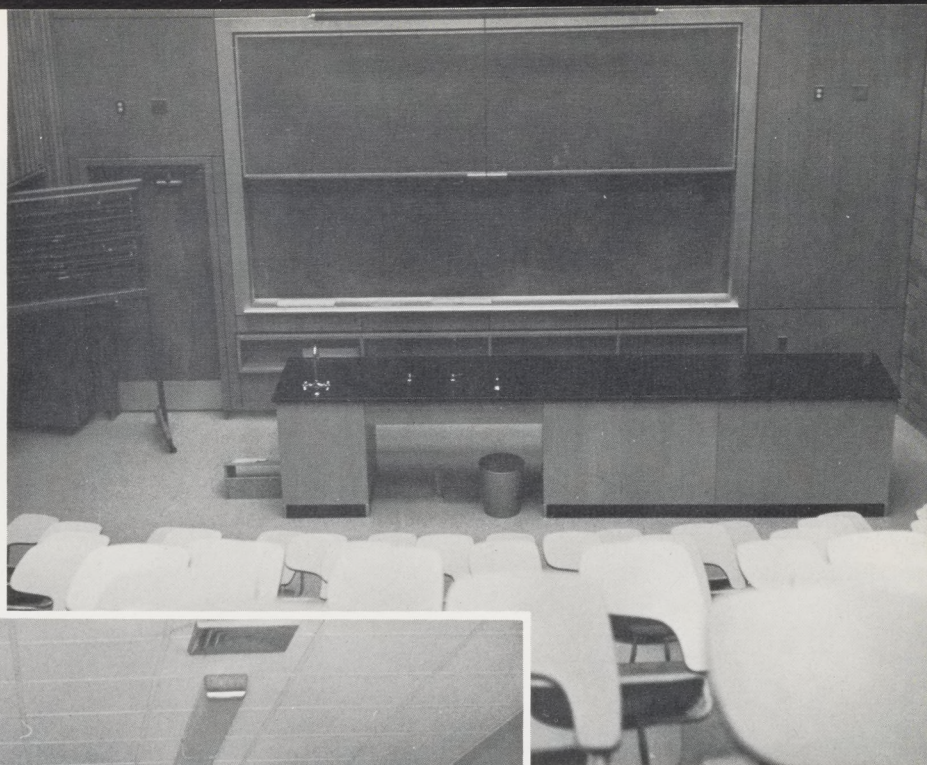

Included in the building are eight labs, with necessary equipment, laboratory preparation rooms, two large lecture rooms of the amphitheater type, a small lecture room, store rooms, instructors' offices, and a planetarium. The latter can be used as a lecture room as well as for the study of the earth as an astronomical object—a necessary part of the curriculum in the space age.

## *The Grand Opening*

When walking into the science building, one first notices the Foucault pendulum. Made of brass and divided into two hemispheres, the hollow ball weighs 235 pounds. It is suspended on a cable 28½ feet long and has a swing of seven feet.

*The new science building provides two large lecture rooms.*

## "Hamlet" Prevails Over Evil Portents

Four hundred years of Shakespeare and countless productions of "Hamlet," preceded the Little Theater's production of the favorite tragedy. A play within a play attested to the great dramatic talent of the player troupe. The play had a successful run even though it had a portentous beginning. Male star Pat O'Grady hobbled on crutches two days before opening night, and four Poloniuses left until number five (Garth Parker) remained as the performer. College-Community Playhouse Actors ward off evil spirits as the play opened on Friday 13th!

## *Panthers Loop the Loop*

Coach James Muldoon had fourteen men on his "leprechaun" squad this year. Of these fourteen only one, Ernie "Duke" Shelton, is 6' 5" and none other is of a comparable height. Only five of the men break the six-foot marker at 6' 1".

Some of the major problems the Panther squad had this season were height and the lack of men returning from the 1962-63 season. The starting five averaged 6' 0" and only "the Duke" could be counted on for rebounds.

It wasn't an easy year for the Panthers. At the beginning of the season Coach Muldoon stated, "We'll hurt one of the contenders." As it turned out not just one rival was hurt, but three. All in all the Panthers rounded out to be a small aggressive ball team.

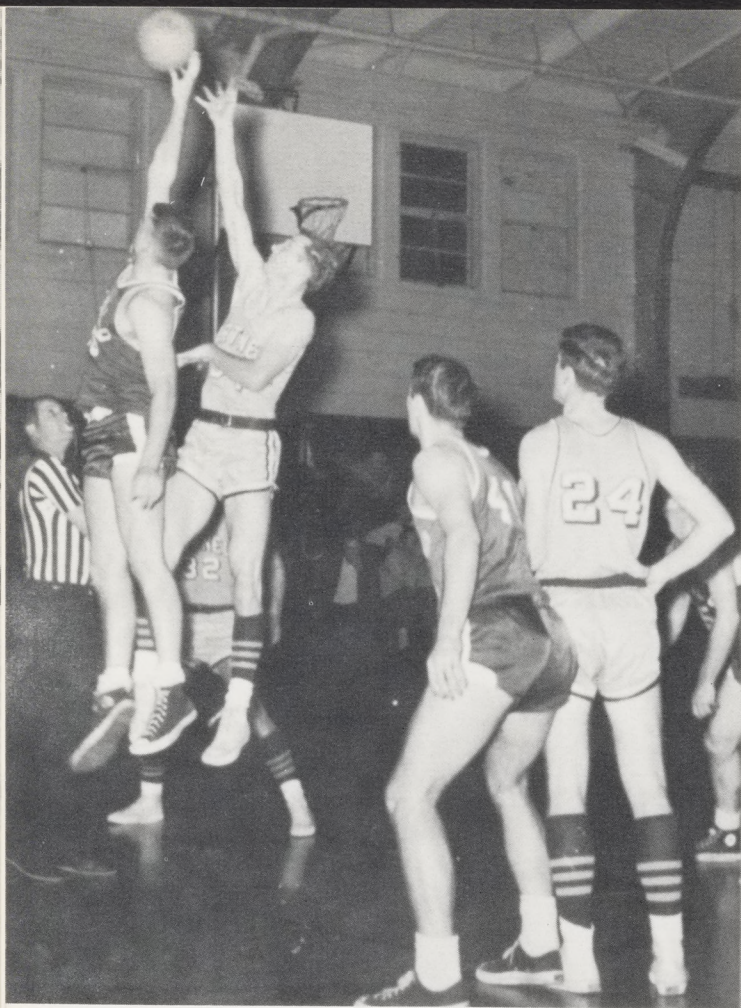

*Ernie Shelton leads Hartnell to one of the biggest upsets of the year by overpowering the "Lobos" in the final game 54-50.*

## Doctors' Best Friends

One school year and two summer programs of nursing skills still await these beginning student nurses of Hartnell College. Foreign students dressed in their native costumes and answered inquiries concerning these items. Hartnell's International set promotes better relationships among foreign students and local natives.

... to Miss Eleanor Perry, M.A., University of California, this 44th and final edition of the Hartnell College yearbook. She had earned her degrees at the remarkable age of 21. Coming to Hartnell in 1948, Miss Perry has inspired educational and recreational events. We can always find her in the front row at these activities. Spring brings her favorite time of the year, with the advent of "Play ball" and the blossoming of flowers. She has been an avid baseball fan for many years. She showed infectious jubilation with the arrival of the Giants to the West Coast, and many times serves in the rooting section behind the Panther homeplate. Through her paintings, she expresses her love of beauty and humanity which she incorporates into her everyday life.

With this aim in mind he has invited students into his home, participated in weekend pack trips and adventures with his students. In these ways and others, he has enlightened their outlook and enhanced teacher-student relations. His warmth, friendliness and unbounded interest in the students has won him enduring trust and respect.

## Summary

Through this '63-'64 school year the students of Hartnell have participated in many extra curricular activities. The fall day enrollment of 1435, the largest ever, started the year rolling, and since then it has gained momentum to reach the successful dimensions that it has.

Get acquainted dances, held after all home football games, were enjoyed by all.

ASB elections were held with many well qualified candidates running. The races were close, and the newly elected commissioners helped round off a competent Hartnell Commission that strived for achievement throughout the year in activities and projects, always with the interest of the students in mind.

The football team and its supporters made a tremendous effort and came out victorious as league champions and champions of the Lettuce Bowl. Cultural Commissioner, Don Moorehead can take pride in the series of movie classics.

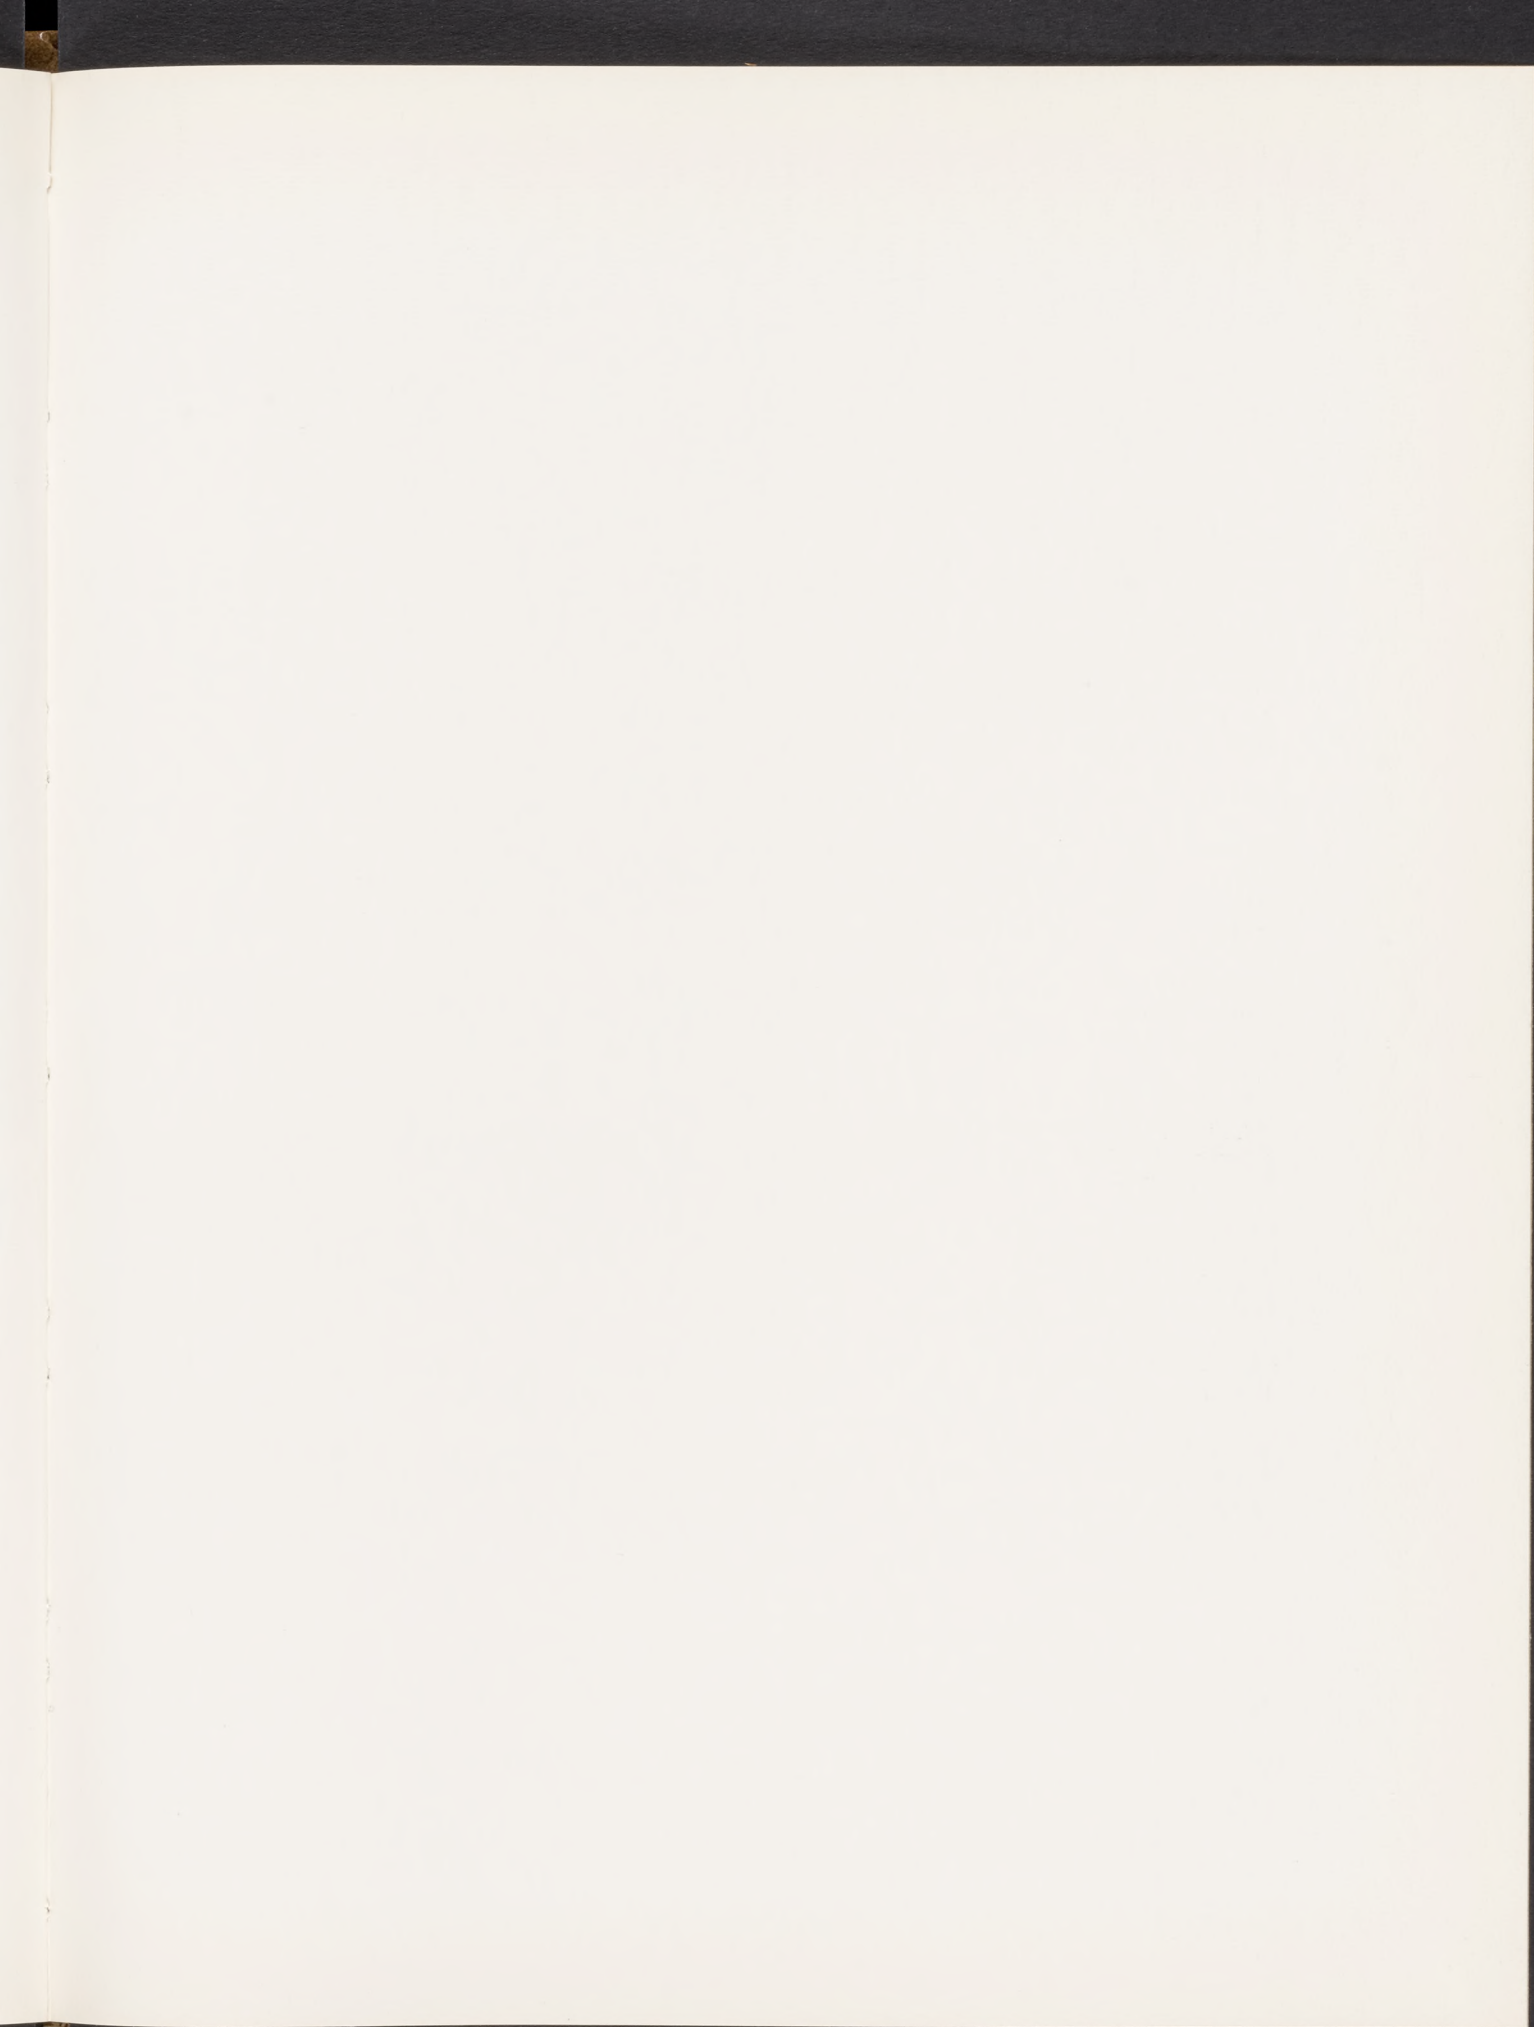

The Drama Department performed with utmost efficiency and talent throughout the year even though their Director Hal Ulrici suffered from a serious automobile accident that occurred in December. Dramatists produced three plays: *The Miracle Worker*, *Hamlet*, and *The Mouse That Roared*.

On the purely social scene many fine events have also taken place. The Winter Ball with Bobby Freeman and "The Continentals," the Four College Dance (Hartnell, Cabrillo, MPC, Gavilan) held at the Cocoanut Grove in Santa Cruz, and the Spring Prom held at the Outrigger in Monterey.

Our new 1.5 million dollar science building was completed and dedicated as the T. R. Merrill Hall on Sunday, April 5, by Nobel Laureate Owen Chamberlain.

We students attending Hartnell have been very fortunate to have been a part of this well balanced social and academic year. Yet, each one attending Hartnell contributed his part whether great or small, in order for this year to be one that will long be remembered.
